

Session Program

6-7 Nov 2025

21st edition of the Young Belgian Magnetic Resonance Scientists symposium - YBMRS 2025

Tutorials

Floreal Blankenberge
Koning Albert-I-laan 59 8370 Blankenberge

Thursday 6 November

10:10

Tutorials: Educational Session 1 - Chair: Elie Derveaux

Session | **Location:** Floreal Blankenberge, Koning Albert-I-laan 59 8370 Blankenberge

10:10-11:05

Tutorial: Decoding modern NMR methods to unlock their full potential

Speaker

Laura Castañar Acedo

11:05-12:00

Tutorial: What can and cannot be simulated in magnetic resonance

Speaker

Ilya Kuprov

12:00

Friday 7 November

09:00

Tutorials: Educational Session 2 - Chair: Anthony Morena

Session | **Location:** Floreal Blankenberge, Koning Albert-I-laan 59 8370 Blankenberge

09:00–09:55

Tutorial: Understanding quadrupolar nuclei in solid-state NMR: from theory to practical aspects

Speaker

Laurent Delevoye

09:55
