

Session Program

6-7 Nov 2025

21st edition of the Young Belgian Magnetic Resonance Scientists symposium - YBMRS 2025

Plenary lecture

Floreal Blankenberge
Koning Albert-I-laan 59 8370 Blankenberge

Thursday 6 November

13:00

Plenary lecture: Plenary Session 1 - Chair: Luca Fusaro

Session | **Location:** Floreal Blankenberge, Koning Albert-I-laan 59 8370 Blankenberge

13:00-13:50

Plenary lecture: Simplifying complexity: novel NMR tools to aid spectral analysis

Speaker

Laura Castañar Acedo

13:50

16:20

Plenary lecture: Plenary Session 2 - Chair: José Martins

Session | **Location:** Floreal Blankenberge, Koning Albert-I-laan 59 8370 Blankenberge

16:20-17:10

Plenary lecture: Deep neural networks in magnetic resonance data processing

Speaker

Ilya Kuprov

17:10

Friday 7 November

14:30

Plenary lecture: Plenary Session 4 - Chair: Peter Adriaensens

Session | **Location:** Floreal Blankenberge, Koning Albert-I-laan 59 8370 Blankenberge

14:30-15:20

Plenary lecture: structure-activity relationships in catalysts with advanced solid-state NMR of quadrupolar nuclei

Speaker

Laurent Delevoye

15:20
