

YBMRS 2026 - 22nd edition of the Young Belgian Magnetic Resonance Scientists symposium

Tuesday, 17 November 2026 - Tuesday, 17 November 2026

ULB/VUB Learning & Innovation Center - LIC

Scientific Programme

We are excited to announce the topics of the plenary sessions and talks from industry.

Plenary Lectures:

- Pr Marleen Verhoye, University of Antwerp, Bio-Imaging Lab
Preclinical MRI as a Window into Neurodegeneration:
From Brain Structure to Function and Metabolism.

- Pr Bernard Gallez, UCLouvain, Biomedical Magnetic Resonance research team
The Other Side of Magnetic Resonance: EPR in living systems.
From principles to applications in cells, animals and humans.

Industry talks (NMR applications):

- Dr Vincent Ching, ExxonMobil Petroleum & Chemical BV, Advanced Characterization Science and Discovery, Global Lab Operations.

- *Speaker to be announced*, Johnson & Johnson Innovative Medicine.

The complete program will be available in the next weeks.
