

20th edition of the Young Belgian Magnetic Resonance Scientists symposium - YBMRS 2024

Monday, 25 November 2024

Plenary lecture: Chair: prof. Dimitrios Sakellariou (16:30 - 17:20)

time	[id] title	presenter
16:30	[35] Plenary lecture 1: Diffusion MRI with strong gradient hardware, Prof. Chantal Tax	Prof. TAX, Chantal

Tuesday, 26 November 2024

Plenary lecture: Chair: prof. Sabine Van Doorslaer (09:00 - 09:50)

time	[id] title	presenter
09:00	[36] Plenary lecture 2: Investigating materials, components and devices for electrochemical applications using NMR and EPR, Prof. Josef Granwehr	Prof. GRANWEHR, Josef

Plenary lecture: Chair: prof. José Martins (13:50 - 14:40)

time	[id] title	presenter
13:50	[37] Plenary lecture 3: A molecular definition of metabolic syndrome as investigated by NMR-based metabolomics, Dr. Óscar Millet	Dr MILLET, Óscar
